PROPS AND GUESTS BOOKS

We love props

We love them so much we named ourselves after them. With our classic package you get a selection of great props: lips, mo's, chalk boards, party glasses, a selection of hats and Barry the Bass (the BEST prop, just ask Piers Morgan...)

All our bookings come with a guest book, pens and glue so you can keep all the print outs to laugh at once the hangovers have worn off!

Our books are even eco-friendly - they're made from a bunch of bananas (true story).

About us

"I just wanted to say a HUGE thank you for your wonderful photo booth at our wedding at Hedsor House back on the 29th September - wow where has the time gone!

You were a delight to deal with and our guests had a great time using your booth and we've loved looking through the photos. On the day it worked seamlessly and you guys were so warm and accommodating. Thank you for everything you've done."

Sophie Pitman, Bride

"The photo booth was absolutely fantastic. So much fun, and very stylish looking too. Although I may have hogged the limelight a little too much, the photos are testament to how much people enjoyed it - and we have a guest book full of fab pictures which make us smile every time we look through it. You were wonderful: so professional - setting everything up seamlessly - and just the loveliest people."
